Who We Are

Red Deer City Citizens on Patrol is a non profit program run by volunteers aimed at reducing crime in the community through active participation of citizens.

How It Works

Members work in pairs to patrol by vehicle, bicycle, or foot, and report any suspicious or criminal activity they observe to the police. Patrol shifts are flexible with the ability for members to choose the time of day or night, and duration of their patrol. A commitment of 4 hours per month is suggested.

Patrol Members

Members must be at least 18 years of age, have a clean driving record, pass a criminal record check and security screening by the RCMP, as well as complete the Citizens on Patrol training.
